Cavalry Memorial Parade and Officers' Lunch - Sun 3 May 20

From Brigadier Angus Watson MBE (Colonel of the Regiment Designate)

Maj Gen David Rutherford-Jones CB will fulfil his final duty as Colonel of the Regiment when he leads the regimental contingent at the Cavalry Memorial Parade on Sun 3 May 20. After the parade, there will be a lunch in the Cavalry and Guards Club at which there will be an opportunity to thank David and Sarah for

all they have done for the Regiment, not just during his seven years as Colonel but also throughout his time in uniform. We have booked a room for Luncheon in the Cavalry and Guards Club which has a capacity of only 80 people so please book early to secure your place. I very much look forward to seeing you there. Attendance proforma can be viewed on page 15 of the Newsletter.

Regimental Association News

Spring 2020 and another New Year to look forward to. Our last Summer Newsletter was released in August 2019 and is where I will start this update. This was the month that some of the serving Regiment and Association members travelled to Mont Pincon in France to commemorate the 13/18H success of some 75 years earlier and remembered through this D-Day 75 event. The serving Regiment took a coach worth of soldiers on a Battlefield Study over the week of 2-8 August taking in the D-Day landing sites and then followed the 13/18H routes through France at that time up to the taking of the Mont Pincon high ground feature in the Falaise Gap, which took place in Aug 44.

The service was held on Wed 7 Aug and attended by the local Mayor of Le Plessis Grimoult and many VVIP dignitaries of the local areas, as they shared the opportunity to commemorate this event. At the end of the service held at the memorial site we all travelled back to the village hall for a reception buffet with some 240 invited and enjoying a locally produced buffet lunch with drinks. Our guest of honour on the day was Major General H S R Watson CBE and the only surviving member of the landings on parade that day, he also had his son

Brigadier H A Watson MBE and his grandson James plus granddaughter on the day. I have to say the French could not have been more accommodating during our visit and a special mention to Mr Frederik DeLouche and Mr Davide Lecoeur who we engaged with from the time of our recce in May through to the actual day and events held on 7 Aug.

Another important service held in August was that of the OP BANNER 50 (Northern Ireland 1969) held on Wed 14 Aug at the National Memorial Arboretum this was ran by The Royal British Legion as a national event, though having attended with other Association members it was an extremely wet and damp day which saw a sea of umbrellas to keep the masses dry, a fitting service nevertheless for those who made the journey. A similar service took place once again linked to OP BANNER 50 the following month by the Northern Ireland Veterans Association (NIVA) on Sat 14 Sep where the Barnsley Branch saw a small number of members attend. Newcastle 21 Sep and Barnsley Sat 5 Oct dinners followed with Mr Danny Beever of the Barnsley Branch ending his tenure as Chairman after over 20 years of service with them. I would like on behalf of all Association members to thank Danny and his good lady wife Jane for their many years of loyal support and great enthusiasm to ensure the Branch remained strong as he also conquered the challenge of a move from a loved venue of Ardsley House to that of the Holiday Inn Barnsley during his tenure.

The end of the year saw attendances at the Field of Remembrance at Westminster on 7 Nov followed by the Annual Officers Dinner in the Cavalry & Guards Club with some 91 Officers attending, this happened the night before the serving Regiment hosted an OP HERRICK reunion weekend, OP HERRICK being the Afghanistan era deployments by the regular army, which commenced on Fri morning for the serving Regiment meaning the serving officers in attendance that night were on a 55 seater bus heading north to Catterick come midnight arriving bright eyed and bushy tailed (Not) the following morning around 0500 hrs, it was good they made the journey and attended.

The OP HERRICK weekend for the Association members wishing to attend focused on the Saturday afternoon vehicle displays and children's entertainment, followed by an evening all ranks function and ended on the Sunday morning with a service of remembrance in camp before departure.

The final Association event of the year 2019 was that of the Sahagun drinks in the Labour Club of Newcastle which saw another large turnout and that evening the NW Branch held their black-tie dinner at the Suites Hotel in Liverpool which prepared all for the Christmas break.

We look forward to seeing many of you at the upcoming 2020 events with details of gatherings between now and August shown in the newsletter.

News from the Regiment

Captain M A J Barber - Adjutant

The latter half of 2019 has been a hectic and energising period for our Regiment. A Squadron's preparation for deployment on Operation NEWCOMBE in Mali gathered pace and C Squadron's deployment on Operation CABRIT in Poland similarly led to many key training events throughout the winter term. Alongside this, what seems to be the busiest regiment in the British Army, also supported disaster relief efforts in Whalley Bridge in August and subsequently Fishlake in the wake of the awful flooding that struck part of our recruiting area in November. Our soldiers once again rose to the challenges presented, often with little warning, and delivered in (and with!) spades. These sorts of events fill us with confidence that those challenges we will face on operations in 2020 will be met with equal strength and good humour.

A and C Squadron's deployed to Galloway Forest in September for 2 weeks on exercise. Another successful deployment of Jackal by road, exercising our ability to project our force over long distances, away from their headquarters. The Squadrons established themselves in the challenging terrain of the forest whilst Battlegroup headquarters occupied West Freugh Airfield on the west coast of Scotland, communicating by satellite comms to the troops on the ground. The exercise was extremely useful, challenging weather and even more tricky terrain tested the troops skills in an unfamiliar environment, it should serve them well for the forests of Poland in 2020, perhaps less so the deserts of northern Mali!

The sporting highlight of the winter term was the regiments efforts at the Hodson's Horse event in Bovington, limited this year to just boxing and triathlon we could not have been better prepared! Captain Lee Simpson's boxing squad had a fighter in 9 of the final 11 bouts, unsurprisingly ending as overall victors, the Colonel of the Regiment was present to revel in their success, making victory all the more sweet. The triathlon team followed suit, cleaning up as overall victors by winning 1st Male, 1st Female and 1st Overall. Furthermore the Regiment won the inaugural UK Bismarck Challenge, a Divisional endurance competition held in York, which for a regiment in a division of Light Role Infanteers is no small feat!

As we move into 2020 it is clear that it will be a particularly challenging year for our regiment. The vast majority of men and women will deploy from March onwards to Poland and Mali, where we will be tested in ways not seen since the Afghanistan era. It is clear to us all however, that the regiment is ready for these challenges, well led, well resourced and well prepared for the difficulties and complexities that lie in wait.

SOME USEFUL INFORMATION FOR YOUR NEXT OF KIN

We thought we would let our Members know of the services we provide when one of our Members sadly passes away. We would be grateful if you would make your loved ones aware of the details contained within this article.

When a Member sadly passes away HHQ will send out a letter to your Next of Kin (NOK) passing on our condolences from the Colonel of the Regiment and Association Members. Once we have confirmed funeral details we will send out an email/letter to those Association Members that would have served with the deceased covering their years of service and letting them know of the funeral details. We can provide to the funeral director a Regimental Flag to adorn the coffin, forage cap (ie 13/18H, 15/19H or LD) and we will send a floral wreath in Regimental colours on behalf of the Association if requested. We will also, if the NOK agrees, place a short obituary on the deceased in our annual Journal and we will provide a copy gratis to the NOK when released in May, be aware that the Journal covers obituaries in the calendar year ie Jan-Dec. We will ask the family if they can provide and are happy for us to use a suitable photograph to accompany the obituary.

We strongly recommend that Association Members ensure adequate insurance cover is in place to cover what can be a very expensive outlay for your NOK.

If you are in receipt of a service pension then you should also pass on the details of the phone number of the Veterans Agency on 0800 085 3600 this will ensure that there is no overpayment of pension, which will need to be repaid at a later date from the deceased's estate.

Should you need further direction we are always here to help and you may wish to pass on our phone numbers to your NOK (0191-239-3138 / 3140 / 3141).

Museum News

Whilst the last six months saw our HLF funded gallery redevelopment project draw to a close activity certainly wasn't winding down in the gallery. The 75th Anniversary of D-Day was commemorated with a temporary exhibition and supporting activities. This was followed by an exhibition co-curated between ourselves and Blesma, it included interviews with Blesma members to record their stories and from those we got a range of quite exceptional stories – tragic, heroic, funny and moving. The current exhibition is 'Second to None' celebrating the 200th anniversary of the Northumberland Hussars and a Drumhead Service was held at the Museum on 8th December and attended by over two hundred people consisting of old comrades, serving members, families and dignitaries including the Lord Lieutenant of Tyne and Wear. The exhibition will run until the end of April 2020.

Behind the scenes our digitisation and transcribing volunteers, including John Lawrence (ex 15/19H) have been hard at work scanning and cataloguing the photographic archive, transcribing diaries and digitising the paper archives. We are also fortunate to have three volunteers in the gallery, Stephen Brotherton (ex 15/19 H), Peter Bates (ex Blues & Royals and QOY), and Alan Gibson (ex 9L) speaking to the public, explaining the artefacts and answering questions. If anyone is interested in volunteering please do contact me: roberta.goldwater@twmuseums.org.uk
